

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Jane Kutska
DOCKET NO.: 05-22068.001-R-1
PARCEL NO.: 16-18-216-004-0000

The parties of record before the Property Tax Appeal Board are Jane Kutska, the appellant; and the Cook County Board of Review.

The subject property consists of an 88-year-old, two-story single-family dwelling of frame construction containing 1,563 square feet of living area and located in Oak Park Township, Cook County. The residence contains one and one-half bathrooms, a full basement and a two-car garage.

The appellant submitted evidence before the PTAB claiming unequal treatment in the assessment process as the basis of the appeal. In support of this argument, the appellant offered four suggested comparable properties located within a quarter mile of the subject. These properties consist of two-story single-family dwellings of frame construction and range in age from 86 to 92 years. The comparables have one or two bathrooms with some half-baths, two have basements and each has a one or two-car garage. The comparables contain between 1,536 and 1,812 square feet of living area and have improvement assessments ranging from \$31,492 to \$36,069 or from \$17.61 to \$21.70 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board submitted its "Board of Review Notes on Appeal" wherein the subject's final improvement assessment of \$35,781, or \$22.89 per square foot of living area, was disclosed. In support of the subject's assessment, the board offered three suggested comparable properties located within a quarter mile of the subject. The comparables consist of two-story single-family dwellings of frame construction and range in age from 87 to 93 years. The comparables contain one and one half bathrooms, with full basements, one finished; one has air conditioning, one has a fireplace and two have two-car garages. The comparables range in

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

IMPR. \$35,781
TOTAL: \$39,057

size from 1,288 to 1,508 square feet of living area and have improvement assessments of between \$30,568 and \$36,589 or from \$23.73 to \$24.26 per square foot of living area. Based on this evidence, the board requested confirmation of the subject property's assessment.

After reviewing the record and considering the evidence, the PTAB finds that it has jurisdiction over the parties and the subject matter of this appeal. The Illinois Supreme Court has held that taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). The evidence must demonstrate a consistent pattern of assessment inequities within the assessment jurisdiction. After an analysis of the assessment data, the PTAB finds the appellant has failed to overcome this burden.

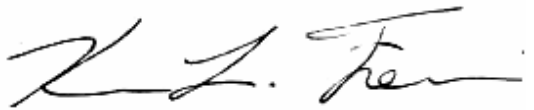

The PTAB finds both parties' comparables are similar to the subject but with some differences in living area that would require adjustments to better conform to the subject. These properties have improvement assessments ranging from \$17.61 to \$24.26 per square foot of living area. The subject's per square foot improvement assessment of \$22.89 is within this range of properties. After considering adjustments and the differences in both parties' suggested comparables when compared to the subject property, the PTAB finds the evidence submitted into the record is insufficient to effect a change in the subject's current assessment.

As a result of this analysis, the Property Tax Appeal Board finds the appellant failed to adequately demonstrate that the subject dwelling was inequitably assessed by clear and convincing evidence and no reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
